Don't betray another person's secret.

*Others may accuse you of gossip,
and you will never regain your good reputation.*

Proverbs 25:9–10 (NLT)

I, _____, agree to protect all members in SOAR by not disclosing or identifying any group members by name or giving any information about group participants. I will not share outside of group personal information that is shared within group, and if I make a reference to SOAR, I will only speak about my personal experience and not provide names, specific identifying information such as race, age, or other attributes that would allow any non-member to identify a group member. I will not discuss the group outside of group with another group member. I also commit to refraining from initiating any sexual contact with another group member.

SOAR is a vehicle for healing from sexual abuse. It is important that I am a part of creating a safe environment for others to share, and for trust to be established. I do not have to share if I don't feel comfortable and will report to the group leader if I am feeling unsafe in the group setting.
